

"Coming Back Home", the Telemark Emigrant Ancestor Questionnaire

Purpose: Telelaget and the local history clubs in Telemark, Norway encourages your assistance in making a database of all emigrants who have left Telemark. The information collected will be shared between Telemark and Telelaget. Hopefully this will create contacts between private persons and organizations on both sides of the Atlantic Ocean. You may read more about this project on the following websites: <http://www.telelaget.com> and <http://www.heritage.telemarksnnett.no>

Instructions: Please fill out as much information as you know about each of your emigrant ancestors coming from Telemark. If you do not have information for parts of the form please put a ? in the blank. Please make several copies of this form. There should be a separate form for each head of family that emigrated. This form may also be printed from our website. Forms should be sent to our genealogist.*
